## PROGNOCIS PROCHECKIN

With our all new web based platform ProCheckIn, facilitate your patients to securely complete the necessary paperwork, prior to their turn to see a medic. You and your patient, both can benefit with this feature of ProCheckIn, as it helps the medical staff to collect all the necessary information beforehand, to provide quality care and relevant treatment, thereby saving time and cost, and all this before the patient sees a doctor.

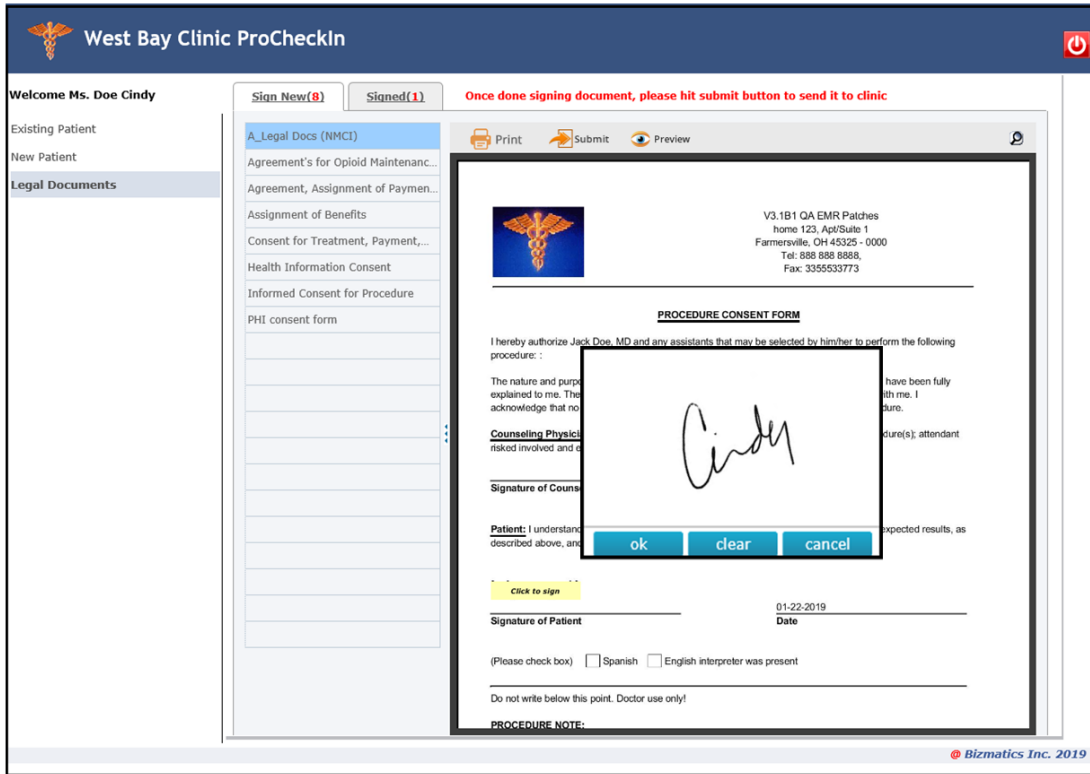

The screenshot displays the 'West Bay Clinic ProCheckIn' interface. On the left, a sidebar shows 'New Patient' as the active tab. A list of forms to be completed is shown, with '1. Clinic Intake Form' highlighted. The main content area displays the 'Patient Form' for 'Ms. Doe Cindy'. A pop-up window titled 'Clinic Intake Form' is open, containing the following fields:

- PERSONAL INFORMATION:** Last Name, First Name, Middle Initial, Date of Birth, Gender, State/Province, Zip Code.
- CONTACT INFORMATION:** Home Number, Home Email Address, Work Number, Work Email Address, Cell Number.
- RESIDENCE INFORMATION:** Street Address, City, State/Province, Zip Code.
- EMERGENCY CONTACT:** Name, Phone Number, Street Address, City, State/Province, Zip Code.

Buttons at the bottom of the form include SUBMIT, SUBMIT & NEXT, RESET, CLOSE, and DELETE. The Bizmatics Inc. 2019 logo is visible in the bottom right corner of the interface.

Furthermore, you can expedite the process of getting the necessary Legal Documents electronically signed from the patients, by using our HIPAA compliant eSignature feature on ProCheckIn, eliminating the high-cost paper-based process of printing, faxing and shipping. You can control the documents shared for signing via Prognosis EMR and ensure that all information entered is authenticated, remaining both private and secure; while your patient can sign the documents anytime, anywhere from a computer or mobile device using a computer mouse, stylus, or tablet.

ProCheckIn login process is completely secure. It validates every detail entered on the Login screen before letting in. The Patient Forms and Legal Documents submitted via ProCheckIn automatically synchronize with our flagship product Prognosis EMR in real-time to update the patient's record.

In addition to it, with our hassle-free ProCheckIn, your patients no longer have to wait in a queue just to get the clinic to mark their appointments Arrived. They can directly log into ProCheckIn using any of their mobile devices connected to the internet, like iPads and Android tablets or a Windows Machines, and seamlessly web Check-In into the clinic for their scheduled appointment.

The patient can benefit from ProCheckIn, as it provides freedom and space to the patients while putting in the details on the various Patient Forms or signing the necessary Legal Documents. Simultaneously, the clinic can benefit from the same product, since they do not have to bother much about the hardware or software

required for its implementation; ProCheckIn supports multiple browsers (Microsoft Internet Explorer; Mozilla Firefox; Apple Safari; Google Chrome) on multiple devices (iPads and Android tablets, windows machines).
