

Revenue Cycle Management

Revenue Cycle Management shortens your revenue cycle, optimizes patient care and manages your finances.

Professional Services

-  **Tracks the life cycle of a patient**
Documents and tracks the patient life-cycle from registration and appointment scheduling to the final payment of a balance and payment posting.
-  **Pre-Authorization**
healthcare providers are required to furnish prior approval from the insurance company before delivering certain treatments to the patient to qualify for payment coverage.
-  **Denial Management**
We work on unpaid claims to maximize the collection for practices and re-submit error-free claims along with following up on all the remaining accounts in the buckets.
-  **Generates Patient Statements**
Statement reports are sent promptly after going through rigorous cross-checking and verification. We ensure only impeccable statements are sent out and contribute to increasing reimbursement from patient buckets.
