

REVENUE CYCLE MANAGEMENT

Revenue Cycle Management shortens your revenue cycle, optimizes patient care and manages your finances

BENEFITS FOR YOUR PRACTICE

Tracks the life-cycle of a patient

Documents and tracks the patient life-cycle from registration and appointment scheduling to the final payment of a balance and payment posting

Pre-Authorization

Healthcare providers are required to furnish prior approval from the insurance company before delivering certain treatments to the patient to qualify for payment coverage

Denial Management

We work on unpaid claims to maximize the collection for practices and re-submit error-free claims along with following up on all the remaining accounts in the buckets

Generates Patient Statements

We work on unpaid claims to maximize the collection for practices and re-submit error-free claims along with following up on all the remaining accounts in the buckets

WHY CHOOSE PROGNOCIS?

We look after Insurance Eligibility Verification to maximize clean claims ratio and monthly collections percentage and reduce denials

Scrubbing and Claim submission that leads to receiving clean claims sans any errors and meeting payer, practice, and specialty guidelines to get the claim paid in the first attempt

Our team rectifies claims rejected by clearinghouses and resubmits it without any inaccuracies and saves time

Provides Credentialing services that act as a one-point contact for all your credentialing and application woes

The Audit Department ensures quality by reducing rejections and error percentages and increases the practice's reimbursement
